about Gryphon Place

We make connections to resources, nurture healing and resiliency, and promote restorative justice for people in conflict and crisis.

Gryphon Place is a nonprofit that helps those in crisis and conflict on local, state, and national levels. We help support people in our communities through life's challenges. Our 2-1-1 and 9-8-8 lines operate 24/7/365, while our suicide prevention, Restorative Practices, and youth programs interact directly with our local communities. Whatever the situation, Gryphon Place is here to help.

Your support allows us to raise awareness and continue providing these vital services to our community.

2025

SUICIDE PREVENTION walk

This annual event is a day to come together to support our community, support each other, break stigma, raise awareness, and save lives. The walk is important because suicide is one of the most preventable types of deaths in our country. We walk to save lives, but we can't do this without you.
